2016 Activities

{PROGRAMMING + FOCUS SHIFT}

Tranquil Space Foundation concluded its TranquilTeens programming, and started the final pilot test of the final curriculum to be made available to educators in 2017.

Tranquil Space Foundation's next focus will be on animal welfare projects, beginning with grants in 2016.

{GRANTS}

In our eight years of existence, Tranquil Space Foundation has given over \$26,000 to like-minded organizations, fueling the wave of female empowerment both locally and around the world. These micro-grants have helped women and their families struggling with HIV/AIDS, women artisans in developing countries, homeless women in the DC area, and a host of other women-focused causes.

In 2016, Tranquil Space Foundation gave the first grant in its new focus on animal welfare with \$500 awarded to **The Pig Preserve** in Jamestown, Tennessee. The Pig Preserve's innovative sanctuary provides a safe and natural space for rescued pigs of all breeds.
